

AUBURN LITTLE LEAGUE
2021 All Star Commitment Information

Overview of the All-Star Teams, Tournament, and Commitment

Eligible players must have participated in at least 8 of their regular season team's games as required by Little League Rules. Our Local Rules and Policies, located in the Downloads section of Auburn Little League's (A.L.L.) website, explain the selection process for All-Stars. A.L.L. has 5 All-Star Teams for the following age groups:

- 9/10 yr. All-Stars – Any player league age 9 or 10 is a possible candidate.
- 10/11 yr. All-Stars – Any player league age 10 or 11 is a possible candidate.
- Major All-Stars – Any player league age 11 or 12 is a possible candidate.
- Intermediate All-Stars-Any player league age 12 or 13 is a possible candidate.
- Junior All-Stars – Any player league age 13 or 14 is a possible candidate.

Player eligibility will be verified and must be proven to District personnel in order to qualify for the team (i.e. residence/school attendance and age eligibility in particular). Parent commitment is not limited to any one level.

While it is a great honor to be a member of an All-Star team, there is also a substantial commitment of time, effort, travel and finances required in order to participate. The All-Star season ends whenever tournament competition ends. The goal is for teams to progress as far into tournament play as possible, deploying players and strategy to accomplish this goal by using the Manager's discretion and experience. Parents/guardians shall support all decisions and strategies set forth by the All-Star Manager/Coaches. For the 9/10 and 11year old, Intermediate, Juniors & Seniors competition, tournament play could continue through the completion of the California State Tournament in late-July. For Major League competitions, tournament play could continue through mid-August when the World Series takes place (Major in Williamsport, PA; Junior in Taylor, MI).

Parents must assist when A.L.L. hosts tournament games. A commitment to play means a commitment to assist in games in which your child is not playing! All home tournament games are played at Beggs Field. Tournament game tasks include snack bar, field preparation, scorekeeping, announcers, and after-game field maintenance.

If selected to an All Star roster, registration for your player including a fee of \$60 must be completed/paid prior to the first All Star practice.

The All-Star time commitment consists of several practices a week for up to three hours beginning around June 14th and then participation in the District 11 All-Star tournaments beginning about June 30th and running for about 15 days. Winners will advance as noted above. Players are expected to attend ALL team practices and social activities. All positions on the team and in the lineup are earned based on the Manager's evaluation. Per Little League rules the minimum play time for a team with 12 players is 1 at-bat and six defensive outs and a team with 13 or more players is 1 at-bat and no defensive outs. Major conflicts during this

period should be brought to the League President or Player Agent before the All-Star season begins.

It should be clearly understood that acceptance of this commitment is required to participate in Auburn Little League's All-Star program. By submitting your child's name for consideration for placement on an All Star team, you agree to the above terms and conditions.
