

Volunteer FAQs

Q: I have multiple kids in the league, do I need to give a deposit for all of them and work hours for each one?

A: No. The requirement for the 2024 season is one check per family. The check should be given to the team that your oldest child plays for, and the volunteer commitment level will be that of your oldest child.

Q: What if the game I signed up to volunteer is rained out?

A: If a game is rained out and rescheduled, you will be reassigned to the rescheduled date. If the rescheduled date does not fit your schedule, you can delete that shift and sign up for a different date. If a rained out game is NOT rescheduled, you will receive credit for the hours you signed up for that game.

Q: All of our games are held at a field where there are no concessions. Do we have to work a snack bar shift?

A: NO, you don't have to work a snack bar shift, BUT you are more than welcome to! Proceeds from our snack bar help keep registration costs down as well as help cover costs for equipment at all levels of ALL. Training is available for anyone that has interest in picking up a shift!

Q: Will there be enough hours for everybody in the league to complete their hours?

A: Yes! Throughout the league, we have over 3000 hours of volunteer responsibilities available.

Q: All of the volunteer opportunities at the field my child plays at have been filled. Do I still have to volunteer?

A: Yes. Our volunteer sign ups will include volunteer opportunities at all fields and Opening Day. We suggest you sign up sooner than later to secure the openings you want.

Q: How will the league know if I have completed my hours?

A: As long as you sign up through the sign up links, the league will be able to track your hours.

Q: As a manager/team parent, am I expected to log in and see who has signed up?

A: No, the league will track that information.

Q: Can I give cash instead of a check?

A: If a check is not an option, please reach out to our volunteer coordinator for other options.

Q: What if someone doesn't show up for their shift?

A: Volunteer sign ups/completion will be on the honor system, but if a job that has been filled does not get done, a team representative should email our volunteer coordinator. If jobs are not filled or have a no show, the duties will fall on the home/visitor team as laid out in the division playing rules document.

Q: Do Managers/Coaches/Team Parent/Practice Assistant have to submit a check?

A: No. Volunteer requirements for those positions are considered complete.

Q: Why did ALL implement this policy this year?

A: One of the goals of our ALL Board is to encourage participation in Little League Baseball and Softball through volunteer support. We are a 100% volunteer-led organization and our league could not run without the support of our amazing little league families.

Due to the recent struggle to recruit volunteers, the board has decided to reintroduce the volunteer deposit.
